Forty fabulous reasons to go to...

Brazil, Canada, Germany, Italy, Japan,
Scandinavia, Spain, UK, USA

ITALY

Trying to enumerate the many and varied good reasons to be in Italy is like counting the stars; a pleasant but ultimately futile diversion. We've cooked up a small but enticing serving of Italian innovation, including an extraordinary new floating villa from Wally Hermès Yachts; a new design resource at Milan's La Rinascente department store, featuring a special Wallpaper* zone; and a slew of thrilling new museum architecture
